

THE FULL-SIZE CAR MORE PEOPLE DEPEND ON.

It's easy to understand why Chevrolet Impala is America's No. 1 choice in large sedans.¹ With a standard 3.5L V6 engine, the 2011 Impala offers a remarkable EPA estimated 29 MPG highway when running on gasoline. That's highway mileage Ford Taurus, Chrysler 300 and Dodge Charger can't match.² Impala surrounds you with advanced technologies that include the StabiliTrak Electronic Stability Control System, four-wheel ABS, Traction Control, front- and side-impact air bags³ and OnStar⁴ with the Directions & Connections⁵ Plan (standard for the first six months). And Impala helps protect you with a 100,000 mile/5-year⁶ transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation Programs.

Impala LTZ in Black with available dealer-installed polished stainless steel exhaust tips from Chevrolet Accessories.

Some standard content may be deleted with fleet orders. See dealer for details.
